to everyone!**

**We are looking for
Parent Coaches & High
School Volunteers!**

Hey Parents! Instead of sitting on the sidelines why not volunteer to be a parent coach?

This is a great opportunity for you to engage with your child's development, and reinforce many of the program benefits and skills with your child. We are also looking for high school volunteers to monitor scores and assist parent coaches. It's a fun, hands-on way to meet your required number of volunteer hours!

**Learn the 5 fundamentals of
progressive tennis and see how
these ideas are applied in the
league!**
