

FALL 2025 LEARN & PLAY WITH ORC MINOR TENNIS LEAGUE!

Initiated by **Tennis Canada** and **Mississauga Little Aces**, the **ORC Minor League** is an exciting community tennis program that provides participants with the opportunity to practice and play with a focus on skill development through match play. The **Minor League** promotes a game-based approach to stimulate and maintain both excitement and enjoyment for participants. This is not a lesson program for beginners.

Division 1 *(Red Ball - 1/2 Court)*

Participants practice and play matches on 1/2 court with low-compression red balls, in a friendly, learning-based environment. Teams will be formed in the latter part of the league based on the head-to-head results in the first half. Players must have a minimum level of skill but be able to exchange the ball over the net at least 4 times on a 1/2 court. This is not a lesson program for beginners. **Please bring your own racquet. 6 to 8 years. No class on Oct 12.**

**We are looking for
Parent Coaches & High
School Volunteers!**

Hey Parents! Instead of sitting on the sidelines why not volunteer to be a parent coach?

This is a great opportunity for you to engage with your child's development, and reinforce many of the program benefits and skills with your child. We are also looking for high school volunteers to monitor scores and assist parent coaches. It's a fun, hands-on way to meet your required number of volunteer hours!

**Learn the 5 fundamentals of
progressive tennis and see
how these ideas are applied
in the league!**
